

Certificate

Ivoclar Vivadent AG confirms that Mr. / Mrs. / Ms.

Dr. Yuji AKAMINE (BPS certified dentist)

has successfully completed an intensive training course on the Biofunctional Prosthetic System. This certificate authorizes the bearer to use the registered trade mark

BPS® Brand Prosthetics

for all prosthetic work fabricated according to the agreed specifications.

In the course, a new marketing strategy for state-of-the-art removable prosthetics, as well as the BPS System were presented, with special attention being given to the target group "active seniors".
